# Collector's Apartment One Brooklyn Bridge Park

**This collection of wall-mounted walnut cabinetry was tailor-made for a consummate collector!** Fun grouping of antique dolls, skulls and butterflies are juxtaposed with the playful yet orderly composition of the cabinetry. Silver and green laminate add a unique touch to the dining room credenza. A custom TV quilt and cabinet which is essentially a series of shifting volumes houses the doll collection.

Project Type ..... Furnishing Design and Fabrication  
Location ..... Brooklyn, New York

**The design of our Shift collection evolved from the concepts in this project! Our TV Quilt, shown here, is available in standard and custom versions.**
